MassArt Policy for managing response to Information requests from external government agencies or other parties

MassArt's President's Office is charged with managing responses to all requests from external government agencies and other parties for information about any MassArt community member and/or MassArt policy. All college employees are directed to forward all information requests from external government agencies or other parties to the Office of the President. Under certain instances, select MassArt departments or employees may be required to respond to external government agencies or other parties' requests pursuant to governmental requirements under state and/or federal law. All requests will be responded to in a manner consistent with Federal and State law.
