

#### DONIS A. DONDIS TRAVEL FELLOWSHIP

##### KIMBERLY FOLEY

The Dondis Fellowship is awarded for merit in any college discipline, for the purpose of defraying the cost of attending a school outside of the United States, or for completing a well-defined project having artistic merit. Donis A. Dondis was a 1945 MassArt Alumna who received a BFA in Design and Painting. "Visual intelligence," she said, "increases the effect of human intelligence and extends the creative spirit. It is not only a necessity but, happily, a promise of human enrichment in the future."

#### MORTON R. GODINE FELLOWSHIP

##### JULIE CHEN

The Godine Fellowship is awarded for exceptional merit in any college discipline to help defray the cost of traveling for the purpose of completing a well-defined project, the exhibition or publication of any work, or any project having artistic merit. The late Dr. Morton R. Godine had a long affiliation with the college serving both as Vice President of Administration and Finance and as a member of the college's Board of Trustees and the MassArt Foundation.

#### ACADEMIC HONORS

This honor is based solely on the grades a student received in Liberal Arts and History of Art courses at the college. Students in the graduating class are ranked by the number of A's they have received in these courses by the start of the spring semester of their senior year; the top 15% of students receive Academic Honors. At least seven Liberal Arts and/or History of Art courses must have been taken at MassArt for the student to be eligible for this honor.

#### GRADUATION WITH DISTINCTION

Graduation with Distinction is based solely on a student's grades. The student must have received at least six honors grades, including at least one each in a Liberal Arts or History of Art course and one in his or her area of concentration.

#### DEPARTMENTAL HONORS

Departmental Honors are awarded to graduating students judged most exceptional by their departmental faculty.

Massachusetts College of Art and Design is one of the leading schools of its kind in the United States. Founded in 1873, MassArt has a legacy of leadership as the only independent public college of art and design in the country and the nation's first art school to grant a degree. The college offers a comprehensive range of baccalaureate and graduate degrees in art and design along with continuing education and youth programs, all taught by world-class faculty and designed to encourage individual creativity. Whether at home in Boston or on the other side of the globe, the artists and designers of MassArt are dedicated to making a difference in their communities and around the world.

#### BANNERS

Since 1992, students in the Fibers program have produced the handmade banners at Commencement and Convocation. This year, Abby Miller '13 created the Convocation banners.

COVER ART: Cecilia Méndez, *FIDELITY* (detail), 2009. Security envelopes, 11" x 14".
