

## DONIS A. DONDIS TRAVEL FELLOWSHIP

---

### ELISE GUILLEN

The Dondis Fellowship is awarded for merit in any college discipline, for the purpose of defraying the cost of attending a school outside of the United States, or for completing a well-defined project having artistic merit. Donis A. Dondis was a 1945 MassArt Alumna who received a BFA in Design and Painting. "Visual intelligence," she said, "increases the effect of human intelligence and extends the creative spirit. It is not only a necessity but, happily, a promise of human enrichment in the future."

## MORTON R. GODINE FELLOWSHIP

---

### ANIKA CARTTERFIELD

The Godine Fellowship is awarded for exceptional merit in any college discipline to help defray the cost of traveling for the purpose of completing a well-defined project, the exhibition or publication of any work, or any project having artistic merit. The late Dr. Morton R. Godine had a long affiliation with the college serving both as Vice President of Administration and Finance and as a member of the college's Board of Trustees and the MassArt Foundation.

## WARNER TRAVEL FELLOWSHIP

---

### ERIKA VON KELSCH

The Warner Fellowship is awarded to any student matriculating in any discipline offered by the college. The award is given to a rising senior to defray the cost of travel between the student's junior and senior years. The Fellowship is established by MassArt Foundation Board member Elissa Warner and her husband William with the intention of informing a well-defined project, the exhibition or publication of any work, or any project having artistic merit during the student's senior year.

## ACADEMIC HONORS

---

This honor is based solely on the grades a student received in Liberal Arts and History of Art courses at the college. Students must have earned at least eight A's in these courses by the start of the spring semester of their senior year; at least seven of the courses must have been taken at MassArt for the student to be eligible for this honor.

## DEPARTMENTAL HONORS

---

Departmental Honors are awarded to graduating students judged most exceptional by their departmental faculty.

Massachusetts College of Art and Design is one of the leading schools of its kind in the United States. Founded in 1873, MassArt has a legacy of leadership as the only independent public college of art and design in the country and the nation's first art school to grant a degree. The college offers a comprehensive range of baccalaureate and graduate degrees in art and design along with continuing education and youth programs, all taught by world-class faculty and designed to encourage individual creativity. Whether at home in Boston or on the other side of the globe, the artists and designers of MassArt are dedicated to making a difference in their communities and around the world.
