The Dondis Fellowship is awarded for merit in any college discipline, for the purpose of defraying the cost of attending a school outside of the United States, or for completing a well-defined project having artistic merit. Donis A. Dondis was a 1945 MassArt Alumna who received a BFA in Design and Painting. "Visual intelligence," she said, "increases the effect of human intelligence and extends the creative spirit. It is not only a necessity but, happily, a promise of human enrichment in the future."

The Godine Fellowship is awarded for exceptional merit in any college discipline to help defray the cost of traveling for the purpose of completing a well-defined project, the exhibition or publication of any work, or any project having artistic merit. The late Dr. Morton R. Godine had a long affiliation with the college serving both as Vice President of Administration and Finance and as a member of the college's Board of Trustees and the MassArt Foundation.

#### LAM PRIZE FOR CREATIVITY AND INNOVATION

The Lam Prize for Creativity and Innovation is awarded for outstanding merit in any college discipline, for the purpose of distinguishing a sophomore, junior, or senior whose work shows dedication, creativity, and innovation. Julie Lam graduated from MassArt in 1994 with a BFA in Graphic Design. Julie credits much of her success as an award winning designer, and her life path, to receiving an award to attend art school from a business woman in Hong Kong, where she grew up. With the inherent belief that awards challenge students to bring their best work to the table and push the boundaries of their creativity, Julie created the Lam Prize for Creativity and Innovation as both motivation and reward for a talented MassArt student.

#### Academic Honors

This honor is awarded to students who have demonstrated exceptional talent in the areas of Liberal Arts and History of Art. A student earning this award has earned the letter grade of "A" in eight courses, seven of which were completed at MassArt.

#### Departmental Honors

Departmental Honors are awarded to graduating students judged most exceptional by their departmental faculty.

Massachusetts College of Art and Design (MassArt) is one of the top colleges of its kind in the United States. Founded in 1873, MassArt has a legacy of leadership as the only freestanding public college of art and design in the country and the nation's first art school to grant a degree. The College offers a comprehensive range of undergraduate and graduate degrees in art, design, and art education, all taught by world-class faculty. MassArt is also home to the Bakalar & Paine Galleries, the largest free contemporary art space in New England, professionally curated to enrich the academic curriculum and make contemporary art an accessible experience for all. Among MassArt's most accomplished alumni are designer Brian Collins, art dealer Arne Glimcher, Oscar-winning set designer Nancy Haigh, visual artist and composer Christian Marclay, 2016 *Project Runway* winner Erin Robertson, interior and lifestyle designer Kelly Wearstler, and photographer William Wegman.
