Roles of the MassArt Auction Lead Gallery Partners

Overview

The MassArt Auction lead gallery partners support the MassArt Auction by submitting artwork on behalf of their artists and/or encouraging their artists to submit on their own. Additionally, these galleries help to promote the Auction event to their clients and artists. Respecting the safety protocols necessary to protect our community, for this year's Auction, we plan to host a hybrid event on April 9, 2022, with live and digital bidding components in partnership with our online Auction platform, Bidsquare.

Goals of the MassArt Auction

Financial Goals

The proceeds of the MassArt Auction support the College's student scholarships and academic programs. The College can ensure that qualified students receive an exceptional education, regardless of their ability to pay, through the funds raised every year at the MassArt Auction.

Qualitative Goals

- To introduce and engage with the next generation of philanthropic leaders of MassArt.
- To highlight the excellence of MassArt education through the inclusion of student, alumni, and faculty artwork in the Auction.
- To use this event as an opportunity to educate a captive audience about the importance of offering an affordable MassArt education.
- To help expand the market for contemporary art by providing a venue for collectors to experience the thrill of learning about and owning works of contemporary art and encouraging them to engage with the participating artists and the galleries who support their careers.

Roles of Lead Gallery Partners

MassArt Auction Lead Gallery Partners are asked to assist MassArt's Institutional Advancement team in the following ways:

- Have multiple artworks selected through our jury process. These artworks can be submitted by the Gallery directly or through their represented artists.
- Act as an ambassador for the College to promote MassArt and the College's mission to the local arts community, including buyers, artists, and fellow galleries.

Benefits of Lead Gallery Partners

- Invitation to the (potentially virtual) Opening Reception on Wednesday, March 30, 2022.*
- 2 tickets to the MassArt Auction on Saturday, April 9, 2022.*
- Gallery listed on invitation, catalog, and website along with courtesy line of accepted artworks.

Consignment Options for the MassArt Auction Lead Gallery Partners

The MassArt Auction is the College's single largest fundraising event benefiting our much needed student scholarships and academic programs. We encourage our artists to consider giving 100% of their proceeds to MassArt so that we can continue to provide an excellent education to our deserving students.

For those that wish to receive a percentage of their artwork sale back, we offer the option to receive 50% of the sale proceeds. We appreciate the generosity of 100% donations, but we still want to support the business of our Gallery Partners and honor their relationships with the artists they represent.

We offer a few different consignment options for our gallery partners:

- **Paying Artists Directly**
Gallery Partners forego their commission and have MassArt pay 50% percent back to the artist.
- **Paying Gallery Directly**
Gallery Partners have MassArt pay 50% percent back to the Gallery. Gallery Partners then decide how they divvy up the commission amount between themselves and the artists.
- **Setting a Reserve**
Gallery Partners set reserve amounts for specific pieces and allow the MassArt Auction to keep any additional proceeds made beyond the reserve amount.

We are happy to customize any of these options to best meet the needs of our Gallery Partners. We respectfully request that the Gallery Partners preferred consignment arrangement be clearly stated at the time of submission so it can be considered during the jury selection process.
