DONIS A. DONDIS TRAVEL FELLOWSHIP

Zhiqian Wang '22, Sculpture

The Dondis Fellowship is awarded for merit in any college discipline, for the purpose of defraying the cost of attending a school outside of the United States, or for completing a well-defined project having artistic merit. Donis A. Dondis was a 1945 MassArt Alumna who received a BFA in Design and Painting. "Visual intelligence," she said, "increases the effect of human intelligence and extends the creative spirit. It is not only a necessity but, happily, a promise of human enrichment in the future."

MORTON R. GODINE FELLOWSHIP

Elliot Papp '22, Jewelry and Metals

The Godine Fellowship is awarded for exceptional merit in any college discipline to help defray the cost of traveling for the purpose of completing a well-defined project, the exhibition or publication of any work, or any project having artistic merit. The late Dr. Morton R. Godine had a long affiliation with the college serving both as Vice President of Administration and Finance and as a member of the college's Board of Trustees and the MassArt Foundation.

BANNERS

Since 1992, students in the Fibers program have produced handmade banners for the Academic Awards Ceremony. This year, our ceremony features the work of alumna Leah Medin, '13. Three abstract panels were created using hand carved woodblock stamps to create positive and negative space. Printed and painted on gold crystal organza fabric.
