

CELEBRATING COMMENCEMENT

May 27, 2022

Good morning,

As we prepare to shift gears and head into summer schedules and much needed time with family, friends, and loved ones, I hope that you will take time, make time, to recharge and refresh and to give an extra-long hug to those you love. Our students have dispersed to all corners of the city and the world - we wish them safe travels and great success - we think about all their possibilities and the difference they have already made and will continue to make.

I want to again thank all of our faculty and staff who guided, taught, mentored, supported, and encouraged our 2022 graduates through both the highlights and challenges of their years at MassArt. When you have a moment, or need a lift, take a look at this [Commencement Week](#) slideshow. I hope it will remind you of the difference you make, the lives you change, and the community you are a part of.

Many thanks again, be well!
