

MassArt Travel Course Scholarships

Due to generous funding, there are a limited number of partial, need-based scholarships available to full-time enrolled MassArt students accepted to faculty-led travel courses with international destinations.

Eligibility:

- Students must have a valid, current FAFSA on file with the Office of Student Financial Assistance in order to be eligible.
- Scholarships are need-based.
- Students who have received travel course scholarships in the past may not be eligible.
- Students are encouraged to investigate other grants and scholarships, a listing of which can be found on the [Studio Abroad](#) website.
- Students who want to borrow additional funds to help with the costs of the travel course can work with the Office of Student Financial Assistance (8 th Floor of the Tower Building) to determine their eligibility.
- Students are also encouraged to plan ahead, start saving as early as possible for international travel, and pursue their own creative means of fundraising.

How to apply: Students who are eligible for MassArt scholarships may check off the MassArt Scholarship Application, which is included in the overall Travel Course application. In doing so, you electronically sign the MassArt Scholarship Application and give your permission for the MassArt International Education Center to review your financial records, in conjunction with the Office of Student Financial Assistance.
