

# What's New?

For MassArt Meal Plans

**MASSART**

# Meals and Points

**There will be several** meal plans for students based on residence hall with the opportunity to upgrade according to personal needs. Wentworth, MassArt and MCPHS campuses are implementing a combination meal swipes (“Anytime Meals”) and declining balance (“Dining Points”) system starting Fall 2022. These meal plans are designed for your convenience to be used across all 3 campuses. Anytime meals may be used at Beatty Café on the WIT campus or for specific meal exchange options at our other dining locations excluding Starbucks on the MassArt campus.

## Meal Plan Terms

**Dining Points:** Declining balance credits can be used at all COF dining locations. Unused dining points in the Fall roll over to the Spring but expire at the end of the Spring semester.

**AYCTE:** “All You Care To Eat” Beatty hall will feature an “AYCTE” program, allowing students to use a swipe and enter the facility once per meal period and eat whatever they like.

**Meal Swipes:** Credits that represent one meal /entry to the AYCTE facility (Beatty) also known as “Anytime Meals”. These have value at all locations and expire at the end of each semester.

# Options for MassArt Students

## Resident Plans

All resident students are required to have a meal plan. The Titanium plan is the minimum required plan for residents of Smith Hall and the Tree House. The Ruby plan is the minimum required plan for residents in the Artists' Residence. Any resident may choose to upgrade to a higher level meal plan.
