JILL SLOSBURG-ACKERMAN

I was born in Omaha, Nebraska, and inspired by the pragmatism of the Pioneers who settled the Great Plains and trained as a jeweler and a sculptor which accounts for my joint interests in the applied and fine arts. I have been equally influenced by Ferdinand Braudel's material culture study, "The Structure of Every Day Life", the ambitions of the Bauhaus, and the work of the artist Constantin Brancusi.

SOLO EXHIBITIONS

- 2012-13 In Rome: The Pine Grove. And. *Natura naturans*; *natura naturata*. Worcester Art Museum, Worcester, MA organized by Susan Stoops (catalogue)
