HOW TO APPLY
Apply for a Travel Course

Studio Abroad is the database MassArt uses for online applications for study abroad, including our faculty-led international travel courses. It is managed for all 6 Colleges of the Fenway partners by the Colleges of the Fenway GEO Center (Global Education Opportunities): http://cof.studioabroad.com.

TO SEARCH FOR A TRAVEL COURSE

Click on “Programs.”

From here you can search in several ways:

Click on “COF Programs” for information on the travel courses and programs offered by the Colleges of the Fenway consortium schools. MassArt students are eligible to participate in COF travel courses. Please be sure to check with your advisor regarding credit transfer.

Select “Simple Search” or “Advanced Search” to find a program that meets your specific needs by narrowing your search criteria.

Select “List All” to see all study abroad programs. If you are interested in a travel course that is not listed, please contact international@massart.edu.

Click on any travel course that interests you for more information. To find out more about a travel course, select “Request Info” to contact the International Education Center.

TO APPLY FOR A TRAVEL COURSE

Choose the program to which you want to apply (see above) and select “Apply Now.” Application deadlines are:

Please ensure that your entire profile is complete. Your name, nationality, gender and date of birth should appear exactly as they do on your passport.

If you do not have a passport yet, the above personal information should appear as on your birth certificate or other document you will use to apply for your passport.

If you do not have a passport yet, you should apply for a passport immediately by visiting the U.S. Department of State website for instructions.

If you already have a passport, it should be valid for at least 6 months after the tentative dates of travel for the course to which you are applying.

Select “Save” to return to your application at a later time or “Submit” for review by
your study abroad office. Please make sure all parts of your application are checked and complete prior to clicking “Submit.”

Many faculty travel course leaders will conduct interviews. You will be contacted directly by the faculty after the application deadline if this is the case.
